

# JOIN US!

K+ applications are now open

## Academia

Follow one of 8 subject streams, working at undergraduate level and stretch your mind.

## Uni life

Get first-hand experience of university life. With regular on-campus visits with current students

## Summer school

A week-long non-residential summer school. A highlight of the K+ calendar for many of our students!

## Careers

Visits to industry leaders in London, giving a taste of potential career paths

## 2+ years of support

Support all through years 12 and 13, opportunity to earn a reduced offer, and support if you get to King's.
